PROFESSIONAL EXPERIENCE

IT Support Specialist

Vertex Technologies Corporation

January 2026 – Present

- Provide technical support for network and server systems, ensuring high uptime and reliability.
- Collaborate with senior management on hardware initiatives and IT infrastructure improvements.
- Handle installation and optimization of display systems for offices and conference rooms.

IT Intern (OJT)

Department of Information and Communications Technology

Feb 2025 – May 2025

- Supported government IT projects and daily technical operations.
- Performed hardware troubleshooting and assisted in network maintenance.
- Contributed to software tasks and basic security analysis.

TECHNICAL PROJECTS & COMPETITIONS

Hack4Gov3: Region 1 Cybersecurity Competition (DICT)

- Participated in CTF challenges (web exploitation, cryptography, reverse engineering).
- Worked in a team to solve security problems under time pressure.

Mobile Budgeting Application (Flutter & Dart)

- Developed a cross-platform finance tracking app with focus on UI/UX.
- Used Git and Linux-based tools for development and version control.

Centralized Hotel Management System (JS, Tailwind CSS, & SQL)

- Designed to centralize hospitality operations and streamline guest management.
- Developed using React and Tailwind CSS to provide a responsive and high-quality user interface.
- Built with Node.js and HeidiSQL to handle real-time data and complex application logic.
- Utilized XAMPP for local server management and configuring the environment for core system modules.

Programming: Python, Java, C++, C#, JavaScript, TypeScript, HTML, CSS, React, Node.js, PHP, Flutter, Dart, Next.js, Springboot

Technical Support: Hardware and software troubleshooting, PC assembly, system maintenance, peripherals, software installation, networking

Tools: Git, GitHub, Linux, Figma, Postman, XAMPP, HeidiSQL, DBeaver, Raspberry Pi, Docker

Productivity: MS Office, Google Workspace

EDUCATION

Bachelor of Science in Information Technology

Lyceum-Northwestern University, Dagupan City

Graduated 2025

TRAININGS & CERTIFICATIONS

- Basic Computer Troubleshooting & Literacy - DICT(March 2025)
- Data Privacy Simplified (October 2024)
- Figma 101: UI/UX Workshop (March 2024)
- Safer Internet Day Webinar (February 2024)
